Dear Calwell Families,

### Mother's Day

We hope all the Mothers in our school community enjoyed their special day on Sunday. A big thank you to the mums who arranged the Mother's Day stall for our students.

### NAPLAN

Testing for years 3 and 5 will be happening every morning this week. Getting a good night's sleep, having a good breakfast and trying to just 'having a go' is the best recipe for our students in preparing and completing the tests. NAPLAN is just one indicator of how a child is progressing and the results should be seen as an addition to other assessments we have in the school.

### Kindergarten Information Morning

Starting '*big school*' is exciting and sometimes a little daunting for children and even parents. We are inviting all families of children starting kinder in 2020 to come along tomorrow Wednesday 15 May to chat about how to prepare and support their child as they begin their formal learning journey. Join us for a cuppa, chat with the team and have a look around our great learning environment.

### Walk & Ride to School / Shelter

Friday is the day to get those walking shoes on or get on your bike or scooter. Staff will be meeting students at three points leading to the school. Please encourage and support your child/ren to participate. Let's get fit and reduce the carbon emissions. Work has begun on building our new bike and scooter shelter just below the Corin Unit. We hope that providing a secure bike and scooter shelter will encourage more student to ride to school.

## Education Week

Next week we will be celebrating Education Week. We would love to see parents/carers in our classroom for the Maths Open Morning. Here's an opportunity to see how Maths is taught in a range of engaging ways and using tools and strategies that may well be different to those you remember from your school days. I'm sure our wonderful teachers would really enjoy hearing from families that their work is valued and appreciated.

## Disco

A fun night was had by all at last week's disco. DJ Cliff always runs a great night with songs we know and love and terrific prizes. I would like to thank all the staff who attended and gave up their family time to provide this experience for our students.

## Tax Deductible Library Fund Donations and Voluntary Contributions

**Voluntary Contributions & Library Fund Donations –Your chance to MAKE A TAX-DEDUCTIBLE DONATION before the end of the financial year.**

We very much appreciate the contributions families make to the school. Voluntary contributions are a very important source of funding for the school as not all school resources are fully funded by the Directorate of Education. Voluntary contributions to the school Library Fund are tax deductible and it would be greatly appreciated if you are able to make a contribution to the school before the end of the financial year.

A Voluntary Contribution form is attached to this newsletter.
