School Improvement Survey

Thank you to those of you who have already completed the survey. The feedback you provide via the survey is very valuable and it is important that we hear from as many members of the community as possible. We are hoping to have responses from at least 150 parent/carers and currently have about half this number. Please contact the front office if you need assistance.

Book Week

We are looking forward to the various activities planned for Book Week. Come along to visit the Book Fair and buy a book, enjoy some great stories at tomorrow evening 's Story Night and BBQ and keep a look out for the photos of our whole school *Thing 1 and Thing 2* dress-up on Friday. More information is available in this newsletter.

The future of Breakfast Club...

As part of our agreement with Red Cross to hold a Good Start Breakfast Club program at our school, we are required to have community engagement and volunteers to help run the program.

This program is not only about giving our children the best start to the day, but to have our community engage with us through these types of programs.

Whether your child attends or not, if you are around on a **Monday** or **Tuesday** morning we urge you to register at the front office to volunteer for the following week.

Unfortunately the sad fact is that this program will stop if we are unable to have committed community support.

Donations of you time would be greatly appreciated.
