Dear Calwell Families,

Term 1 Progress Reports

Next week you will be receiving a brief Term 1 Progress Report from your child's class teacher. The report will let you know whether your child is progressing at year level. If the report shows that your child is 'Working Towards' in many areas it may be useful to make an appointment with your child's teacher to discuss what is in place to support your child's learning at school and how you can assist at home.

Carnivals

The Athletics Carnival is on this Thursday and the X-Country next Tuesday. We look forward to seeing our students in their Team Calwell t-shirts on these two days. Family members are always welcome to join us at the Calwell Playing Fields.

Lost Property

The cooler weather has finally arrived and with it the ever-growing pile of lost property. Please ensure that your child's clothing is labelled with a name, so we can match lost items with owners.

Sickness

With the change in season we are also seeing an increase in sickness. Please be mindful about sending your child to school if they are unwell, as this quickly spreads coughs and colds. Teachers are also affected, and it is extremely difficult to find relief teachers. We make every effort to cover a teacher's absence in the best way possible, however avoiding the spread of sickness is the best option.

Principals Afternoon Tea

One of the best parts of my job is spending time with students, hearing their stories and sharing their successes. I really enjoy congratulating the students who have been selected to come to the Principal's Afternoon tea each term. I'm looking forward to meeting another group of the students next week.
