Preschool	Preschool intentions for Kindergarten 2021	

From the Principal

Dear Calwell Families,

Great to be Back

Everyone was excited as we welcomed the Preschool, Kindergarten, Year 1 & 2 students back to school yesterday. I’m not sure who was happier – students, teachers or parents! Thank you for being so accommodating in adjusting to the new drop off and pick up arrangement, with the exception of one or two minor hiccups which we have sorted, the system is working well. Thank you also for accepting the need to have restricted areas for staff and students and for maintaining social distancing of adults when on the school grounds. The safety and wellbeing of the school community is our priority.

Pedestrian Crossing

If you are walking your child/ren into the school grounds, **PLEASE cross at the zebra crossing ONLY**. This may mean walking along the backs of parked cars initially, however modelling that it is always safest to cross at a marked pedestrian/zebra crossing is an important lesson for our children to learn.

Kindergarten 2020 Health Checks

Due to the redeployment of Registered Nurses during the COVID-19 pandemic response and the closure of schools, the 2020 physical component of the Kindergarten Health Check has been cancelled. The Academic Unit of General Practice questionnaire data, completed by parents at the beginning of the 2020 school year, has been collected as usual. The results of the questionnaire will be sent to the GP if consent has been given to do so. If you have concerns regarding the physical check, we recommend you see your GP for assessment. For more information please contact the School Health Team on 5124 1585.

Returning Resources

Please ensure your child/ren bring all items back to school as soon as possible which were taken home at the end of last term. This includes any books, stationary equipment, texts and devices (including cords).

2021 Kindergarten Enrolments

If your child is moving to a new school for Kindergarten next year you will need to complete a new enrolment application for that school. A new enrolment application for children in the Preschool unit who will be moving into kindergarten at Calwell is not required, however, please complete the ‘Intentions for Kindergarten’ note sent home this week to confirm that your child is included in our Kindergarten list for 2021.

Preschool Enrolment for 2020

The online process for enrolling children into preschool for 2021 has started. Children can be enrolled into the 15-hour preschool program if they turn four before the 30 April next year. To ensure a place for your child please complete the enrolment process as soon as possible. We have already received a significant number of enrolments.
