Dear Calwell Families,

Positive Behaviours for Learning

As part of the implementation of PBL into a school one of the external PBL coaches undertakes an annual audit or SET (School Evaluation Tool). This involves asking students and staff a series of questions about PBL expectations and processes. **We are the first school in the ACT to achieve 100% in a SET assessment.** This means that all students and staff have a very good understanding of PBL and how it works in our school. As the coach moves around the school, they can randomly select anyone to interview. The coach also checks on the signage and presence of PBL in the school environment. What an achievement. **Well done team Calwell!**

One of the best parts of being a principal is hearing positive feedback about our students and the school. In recent weeks I have been so proud to hear that Calwell students have been the best-behaved students visiting the STEM building at Caroline Chisholm School, and several of our relief staff and student teachers have all commented on the very positive school culture here at Calwell. Please take the opportunity to promote the school and its achievements to friends and neighbours. Good news stories should be shared!

Wet Area Refurbishment

Work will begin this week in the wet areas in our units. The work will take several weeks and has been backed onto a school holiday period to minimise the impact on school operation. The areas where work will be taking place will be screened off and clear procedures and processes have been established in regard to contractors on the school grounds and when excessively noisy work will take place. There will obviously be some impact, but as the saying goes - *no pain no gain*. Staff will be supervising students closely. We appreciate the community's support and tolerance during the work.

Supervision After 3pm

In recent weeks students have been observed climbing trees on the school grounds after school. This is not an activity we can support at school. Young children will see this behaviour and think it is acceptable and then also engage in an activity that has the potential to result in serious injury should a fall occur. Formal staff supervision of students ends at 3pm. Please discuss this issue with your child/ren and reinforce that climbing trees, fences, walls etc on school grounds before and after school is not acceptable behaviour. If you are on the school grounds with your children before and after school please keep an eye on where your children are and what they are doing and support our PLB expectations of being safe and responsible. Your support in this matter is greatly appreciated.

Save The Date!!

On Thursday 20th June our school Parliament leaders will be holding 'Pretty Flipped Day'. Students in K-6 are invited to wear a piece of clothing inside out for the day to help us flip the way girls are valued - from the inside not out.

Students are asked to bring a gold coin on the day that will be donated to the Pretty Foundation.

Thursday 4th July Community Movie Night Notes due 27th June! "Toy Story 4"

For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to your children to collect on a special sticker sheet. Once it is completed, they can simply bring it back here to school or you can drop them into your local Woolworths collection box.

DON'T FORGET!

ANGLICARE PANTRY APPEAL

This term we are partnering with Anglicare's Annual Pantry Appeal. We will be encouraging families to make donations of non-perishable food and essential living items for families who may be struggling to afford even the basic items like food, nappies and toiletries.

The collection appeal will run during term 2 and 3 as these colder months are when the need for food relief is greatest.

How can you help?

Simply place a donation in the box at the front office yourself or send your child with the donation to school and ask them to give the item to their class teacher. Our School Parliament leaders will assist in the collection of items regularly from classrooms.

We thank you for your support, together we can all help make a difference to families in need within our community.
