School Board

The 2018 School Board meets again this Wednesday night. We will be reviewing the documents and evidence prepared to support the External School Review process which takes place at the beginning of Term 3.

Community Working Group

The first meeting of our Community Working Group will take place on Wednesday 4th July at 7pm in the School Library. The Community Working Group will liaise with the School team to deliver activities and events for our students and families' following the disbanding of the P&C. Everyone is welcome to attend and provide input. We hope to see you there.

2018/2019 Entertainment Book

The new Entertainment book for 2018/2019 has some great offers to save you money from now right through until June 2019. A copy of the book is on display in the Front Office, so you can see for yourself the great deals on offer. Or you can preview the book online here: <http://www.entertainmentbook.com.au/about/Tell-me-More/Canberra>.

The 2018/2019 membership cost remains great value at just **\$60**. Thank you to the families and friends of Calwell Primary who have purchased their books already.

There are over \$20,000 worth of deals and offers in the book. Offers like the 5% off Woolworths Gift Cards, which you can use to buy fuel and groceries every week, can recover the cost of the book in a very short time. And with school holidays rapidly approaching, 50% off entry to many local attractions and activities will help the holiday money stretch further. **For each book or digital membership sold, we will receive \$12.** If you'd like to purchase a book or digital membership, go to Calwell Primary's order page, www.entbook.com.au/239a85 or email calwellpc@y7mail.com.

Pre-loved Uniform Shop

A range of pre-loved school uniform items are available for purchase. Due to space limits, our range is now limited to items with school logo and girl's dresses.

Please email calwellpc@y7mail.com or leave a message at the Front Office with the items you are interested in. We will check what we have and arrange a time for collection. Now that the chilly mornings have arrived, you may be interested in our polar fleece logo jumpers. We have them available in most sizes from 4 to 14, but they won't last long! At only \$5 per item, you won't find a better bargain.

Parking patrols near schools

Parking Operations are now using a Licence Plate Recognition vehicle (or electronic chalking), which regularly patrols school environments to increase safety for children. Motorists that commit an offence will receive their infringement notice in the mail (rather than on their windscreen) 5-7 days after the offence.

While schools can become congested during the peak times, illegal parking cannot be tolerated as it creates an unsafe environment for children. Parents are welcome to park on side streets around schools, but please remember to park legally. Infringements for parking on nature strips, footpaths, verges, street corners and near children's crossings start from \$114.

If you need to drive, park a little further from the school and walk to meet your child, or arrange a meeting point so they can walk to meet you. It's a great way to avoid congestion and is also one of the most time efficient ways to ensure children receive the recommended 60 minutes of physical activity every day.

Medical Action Plans

As you may be aware, schools are required to have current and comprehensive Medical Action Plans for students with identified medical conditions/needs. This is an important aspect of our 'Duty of Care' and school compliance. This information is required on a yearly basis to ensure that your child receives the best possible support whilst at school.

We are auditing our medical records and would like to ensure that all Medical Condition Response Plan and/or Action Plans are current.

If your child has received an Action Plan that needed updating please return it as soon as possible.

Thank you for your prompt response to this important matter

Lost Property

Please check the lost property tubs in your child's unit and front foyer. All belongings not claimed and are not labelled will be washed and donated to our uniform shop or local charity at the end of the Term 2.

Tax Deductible Library Fund Donations and Voluntary Contributions

Voluntary Contributions & Library Fund Donations –Final chance to MAKE A TAX DEDUCTIBLE DONATION before the end of the financial year.

We appreciate the contributions families make to the school. Voluntary contributions are a very important source of funding for the school as not all school resources are fully funded by the Directorate of Education. Voluntary contributions to the school Library Fund are tax deductible and it would be greatly appreciated if you are able to make a contribution to the school before the end of the financial year.

A Voluntary Contribution form is attached to this newsletter.

If you indicated in term 1 that you would like to make termly instalments or you want to pay by semester then please complete the attached form and forward to the front office at your earliest convenience.
