## From the Principal

Dear Calwell Families,

### Positive Behaviours for Learning - PBL

It is great to see so many of our students achieving recognition for positive behaviour. Accompanying today's newsletter is the PBL Rewards Continuum. The continuum outlines the various levels of achievement and acknowledgement the students are working towards. PBL focusses on 'positives' and 'success' rather than negative responses to undesirable actions or attitudes. We are noticing a significant commitment by our students to demonstrate the attributes associated with being a safe, respectful learner who actively shows the Calwell CARES Culture.

### Kindergarten 100 Days

This Thursday our kinder children will have completed 100 days at school. To celebrate everyone in the Scrivener Unit is invited to dress up as centenarians (100 years old). Keep an eye on our Facebook page for some great photos.

### Questacon Incursion

We are looking forward to welcoming a team from Questacon tomorrow for a Science Incursion for grades K-6. The *Shell Questacon Science Circus* is a lively and energetic science shows using everyday materials and props covering a wide range of topics from bubbles and balance to collisions and chemistry and lots more.

## **Book Fair**

Our annual Book Fair has started today! Classes have browsed the fair and will bring home a wish list. These items are available for purchase online or in person between 8:30-9am Wednesday and Thursday and between 2:30-3:30pm Tuesday, Wednesday and Thursday. Adult numbers will be limited in the hall due to COVID and all attendees will need to sign in.

## **Message from the Minister**

Also accompanying today's newsletter is a message from the ACT Minister for Education, Yvette Berry, detailing the upgrades that have taken place at Calwell as part of the ACT Governments Investing in Up-Grading Public Schools.

## **School Uniform**

Thank you to the many families who are supporting the wearing of school uniform. This is an important aspect of building a sense of belonging and Team Calwell. We hope to see all students in their uniform for the remainder of the term.

## **School Satisfaction Survey**

Over 65 parents and carers have already completed the *2020 School Satisfaction & Climate Survey* but, for the results to reflect the opinions of our whole school community, we need as many of you as possible to complete the survey before 31 August.

If you cannot locate the unique survey link sent to you on Monday 10 August (your child's name and school will be in the first line of the email) or did not receive one, please use this link to take the survey: <https://tinyurl.com/y6y8owmj> . You will need to have your child's Student ID handy. To complete the survey for a second child, simply click on the link again.

Thanks to all our families who have completed the survey; your feedback is appreciated.

*Linda Neeson*

Principal

## **Calwell Primary School are proud to be a Sporting School**

This term as part of the Government's Sporting School Program we have partnered with Basketball ACT to deliver basketball clinics to classes in years 1-6 in weeks 4-7. Sporting Schools Program provides children with positive sporting experiences to help develop a lifelong interest in sport and physical activity. Engagement in sport and physical activity can help keep children healthy, happy and socially engaged, all of which can impact on their intellectual capacity and academic achievements.

If you are interested in finding out more about Sporting Schools or how parent/carers and families can support positive sporting experiences at home, simply visit [www.sportingschools.gov.au](http://www.sportingschools.gov.au)
