Dear Calwell Families,

It's hard to believe that we are already half way through the year.

Semester 1 Reports

Reports will be sent home this Friday and teachers will be conducting parent interviews in week 2 next term, the week beginning 23 July. These interviews are an important aspect of the home school partnership and we look forward to expanding on the information provided to you in your child's report and discussing how together we can support your child to achieve to their potential.

School Improvement Review

Every four years and external panel visits the school to provide feedback and a point in time assessment of how the school is travelling against the National School Improvement Tool. The panel will be in our school in week one next term. They will be reviewing a report we have prepared and evidence we have collected, as well as speaking with students, staff, Board and P&C members and parents. The panel then prepares a report for us which we look forward to sharing with the community later next term.

Movie Night

We are all looking forward to enjoying Movie Night on Thursday evening. We have had a great response with over 200 people coming along. Please arrive at the cinema no late than 5.45pm to ensure we can all move into the theatre ready for a 6pm screening. If you intend to purchase items from the Candy Bar you may wish to arrive earlier still.

Semester 2 and 2019 Intentions

The first rounds of preschool placement offers were sent out on Monday. If you are planning to enrol your child into the preschool for 2019 please complete your enrolment on-line as soon as possible. If your child/ren will not be returning to Calwell next term, please ensure that you contact the office as soon as possible.

End of Term

I would like to thank all staff for their commitment and hard work during the first half of the year. On behalf of us all I hope everyone has a safe and relaxing mid-year break enjoying some special family time.
