Dear Calwell Families,

## Welcome to 2019

It's always great to welcome our students to a new school year and share holiday stories. We hope you enjoyed some family time despite the very hot weather. As always Term one is very busy with a Meet & Greet, assemblies, sport carnivals, the Year 5/6 Camp and this year the PBL launch which promises to be a very enjoyable community event. Given that hot days are still predicted please ensure you child/ren come to school with a drink bottle, SunSmart hat and sunscreen applied ready for lunchtime at 11.10am. If the high temperatures do continue we will need to close the top artificial grass oval as regrettably it retains the heat. We will let everyone know what alternative arrangements we put in place.

Our enthusiastic and committed team of teachers and support staff have already been very busy over the past couple of weeks preparing for the year. You will notice some changes to organisation and the way we are approaching a few things. Student management and welfare processes are now all guided by the Positive Behaviours for Learning or PBL principles. This year we are introducing PBL processes into the classrooms. Our release programs for this year will be Science taught by Luke Marsden and the core areas Social Emotional Learning Program (SEL) will be delivered by Ashley Coutts and Jacqui Patrick and then supplemented with lessons delivered by class teachers. I will provide more detail in coming newsletters.

## Communication

Staff and the Leadership team look forward to engaging with families on a regular basis. Our school **Facebook** page will keep you up to date with school happenings. We post photos and videos of activities and events regularly as well as providing just in time information to keep you informed. Teachers will be sharing student learning with parents through **SeeSaw**. Please do not use SeeSaw as a communication tool to send messages or ask questions of your child's teacher, the sole purpose of SeeSaw is for sharing student work with families. If you wish **to communicate with your child's class** teacher please **email directly** to the teacher, mindful that they can only read these when they are not teaching or busy with other duties (you will need to add @ed.act.edu.au immediately after the teacher's full name). This usually means before and after school. If you wish to raise anything with Linda or Liz an email directly is also our preferred method [linda.neeson@ed.act.edu.au](mailto:linda.neeson@ed.act.edu.au) or [liz.baker-matterson@ed.act.edu.au](mailto:liz.baker-matterson@ed.act.edu.au). The school [contact@calwellps.act.edu.au](mailto:contact@calwellps.act.edu.au) should only be used for general communication with the school by external sources.

The **Meet & Greet BBQs** we have planned early this term (see the diary dates above) are the first opportunity for you to meet your child's classroom teacher and chat informally with staff and the leadership team. We'd love to see all families.

## IMPORTANT MESSAGE - notifying your child's absence

**Notifications for student absences.** If your child is absent from school, we will send an SMS notification to the mobile number we have recorded on file for your child. Please reply to the SMS giving a reason for your child's absence. It is important that we have your current mobile number. Contact the front office if you need to up-date your contact information or have any questions regarding the new process. This new process enables us to check in with a family if a student does not present at school each day.

## Student Injury

### Insurance and Ambulance Transport

The ACT Department of Education and Training does not provide any insurance cover for injury, disease or illness to students resulting from school activities or school-organised excursions. Claims for compensation are met where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which any injury, disease or illness was sustained.

As there is no automatic insurance cover for personal injury if your child is injured at school or during a school organised activity/excursion you should therefore consider whether taking out personal insurance cover for your child is warranted.

This insurance might cover contingencies including medical/hospital expenses, ambulance transport outside the ACT, and cancellation of transport/accommodation or loss of/damage to luggage.

The ACT Ambulance Service provides free ambulance transport for students who are injured or suddenly become ill at school or during an approved school organised activity **within the ACT**.
