2020 Planning

We are already beginning to plan for 2019. Schools are currently in the processing of selecting teachers for next year. Enrolment numbers are a key element in this process. Please contact the front office 61421900 to let us know if your child/ren will not be returning to Calwell next year (this excludes current year 6 students).

Learning Journey

We are all looking forward to families coming into the school for Learning Journey. Please take this opportunity to come and see the great work our students do every day. Be sure to complete your Learning Journey passport with your child and place the completed sheet into the boxes located near the hall for your chance to win movie vouchers.

Drinks, cakes and biscuits will be available for purchase for 50c, \$1 and \$2

Staffing

We are continuing to experience difficulty finding relief teachers and there are still a few winter bugs around. Hopefully everyone will be fit and well in Term 4 when the weather really warms up!

SALT

On Tuesday our year 6 girls had the opportunity to participate in the SALT (Supporting and Linking Tradeswomen) program at our school. This was an amazing opportunity and all the students involved had an awesome day, making a wooden caddy to take home and learning about new careers within the trades.
