Dear Calwell Families,

School Improvement Survey

The 2018 ACT Directorate's School Satisfaction Survey opened today. An email with the information you will require to complete the survey has been sent to families today. The feedback you provide through the survey enables us to make improvements and better meet the needs of our community. The more surveys completed, the more accurate the feedback we receive. The information you provide will also be used to help us to develop our next 2019-2023 School Plan. Please support your children's school by taking the time to complete this important survey.

Staffing News

I am delighted to announce that Jacqui Patrick has now been permanently appointed to the school as an executive teacher. Jacqui joined us at the start of the term in a temporary capacity. Jacqui brings a wealth of curriculum, coaching and mentoring experience to her role as the team leaders for years 3-6. It's great to have Jacqui on our team.

Winter Sickness

There are a few nasty bugs around. Please help us to minimise the spread of colds, flu and tummy bugs by keeping your child at home when they are unwell. It is very difficult to find relief staff at this time of year and keeping everyone healthy ensures that class learning is not disrupted.

Term 3 Activities

Over the next couple of weeks there are lots of things happening in the school. We are looking forward to seeing families at Story Night, we have a number of students attending a range of extension activities and combined band rehearsals; while staff are involved in a number of professional learning activities with an English / literacy focus.

Positive Behaviour for Learning - PBL

It is great to see so many of our students achieving recognition for positive behaviour. Accompanying today's newsletter is the PBL Rewards Continuum. The continuum outlines the various levels of achievement and acknowledgement the students are working towards. PBL focusses on 'positives' and 'success' rather than negative responses to undesirable actions or attitudes. With PBL now in the school for over a year we are noticing a significant commitment by our students to demonstrate the attributes associated with being a safe, respectful learner who actively shows the Calwell CARES Culture.
