## From the Principal

Dear Calwell Families,

Last week ended on a very positive note with all K-6 students (and teachers) really enjoying the discos held on Friday. As always DJ Cliff played great music and his lighting certainly created a fabulous atmosphere. We have other activities planned for this term which we hope will help our students to end 2020 with some happy memories of a year that has also provided some unexpected challenges.

### Book Week

This week we are celebrating Book Week. Students and staff are encouraged to come dressed in a book character on Thursday. While we have been unable to hold our annual Story Night (due to COVID) which we know many families look forward to and enjoy, this year we are reading Ann Doh's 'Planet Weird' to the whole school (K-6) – a little each day. Our teachers have also recorded some stories that are available for viewing through Seesaw.

### Preschool Transition Activities

This Thursday afternoon we are holding an information session for families of children who are transitioning from the Preschool into Kindergarten. This is a great opportunity to hear how you can support your child so that starting 'big school' next year is as positive as possible. The Preschool children will also be starting their visits to the Kindergarten classes next week so that their new environment will be familiar on day one next year.

### Planning for 2021- Class Placements

We are already planning for next year and would like to hear from families if your child/ren will not be returning to Calwell in 2021 (*excluding year 6 who are transitioning to High School*). Please email this information to the school [contact@calwellps.act.edu.au](mailto:contact@calwellps.act.edu.au). Later in the term we will be forming class groups for 2021 and you are invited to send me an email regarding your child's class placement outlining anything you would like to have taken into consideration. Please be aware that **we will only consider these written requests** as discussions with class teachers can occasionally be forgotten and lack in detail.

## Book Week – Virtual Story Night

This year Story Night has gone online!

Our fabulous teachers have recorded some stories for families to watch at home through SeeSaw.
